RESPONSE TO ELECTION/RESTRICTION REQUIREMENT

MS: Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

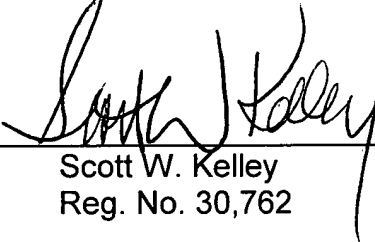

Dear Sir:

In response to an ELECTION/RESTRICTION REQUIREMENT dated  
August 9, 2005, in connection with the above-identified application, Applicant elects  
Claims 1-19, drawn to a method of forming a shaped article having a matrix containing

sintered fly ash, **with traverse**. The election is made with traverse because the process of Claims 1-19 will necessarily result in the building element of Claims 20-22.

Respectfully submitted,
